RECYCLING HAS NEVER BEEN EASIER!

Goddard Space Flight Center now participates in "Single Stream" recycling. All your recyclables can now go into the same bin. So, get ready, follow the chart below, and recycle away. Make sure to **RINSE** all containers and remove any food and drink residue. If you have items that are too large for your bin, mark them clearly "For Recycling" and place next to your bin, or call to make special pickup arrangements. Questions?? Call 757-824-1466.
