

Safety & Environmental Newsletter

September 2014 Issue

The EEFR is coming! The EEFR is coming!

Energy & Environmental Functional Review: September 8-12, 2014

1) EEFR? What's that?

2) A NASA HQ audit of WWF's Environmental Programs...

3) Will it involve me?

4) **YES!** Do you understand the EMS policy and the 2014 High Priorities?

5) **YES!** We consider the environment as we do our jobs. The High Priorities are: Hazardous Waste, Environmental Planning and Site Restoration.

6) My logs and inspections are up to date and my training is complete.

7) All hazardous waste is labeled, lids are closed, and my flamm locker is in order.

8) Congratulations! You're ready. Questions? Call x1718!

The Environmental Office is here to help!

Wallops Beach Clean-up is International Coastal Cleanup Day!
September 20th 9:00 a.m.
Email Marianne.F.Simko@nasa.gov

2014 Environmental Management System High Priorities at Wallops Flight Facility:

- 1) Hazardous Waste
- 2) Environmental Planning
- 3) Site Restoration

Aerosol Can Disposal

The Environmental Office collects all aerosol cans. No aerosol cans should be placed in the trash, even if they appear to be empty. If you need a container to collect empty or discarded aerosol cans, please call the Hazardous Waste Hotline at x1718. Or just call x1718, each time you need an aerosol can picked up. If you have questions, please call Joe Mitchell at x1127.
