September 2014 Issue

The EEFER is coming! The EEFER is coming!

Energy & Environmental Functional Review: September 8-12, 2014

Wallops Beach Clean-up is International Coastal Cleanup Day!
September 20th 9:00 a.m.
Email Marianne.F.Simko@nasa.gov

2014 Environmental Management System High Priorities at Wallops Flight Facility:

- 1) Hazardous Waste
- 2) Environmental Planning
- 3) Site Restoration

Aerosol Can Disposal

The Environmental Office collects all aerosol cans. No aerosol cans should be placed in the trash, even if they appear to be empty. If you need a container to collect empty or discarded aerosol cans, please call the Hazardous Waste Hotline at x1718. Or just call x1718, each time you need an aerosol can picked up. If you have questions, please call Joe Mitchell at x127.
